The International Research Travel Grant is a new initiative designed to support the international/global scholarly interests of UNCF/Mellon Fellows and/or participation in intensive language study programs approved by the UNCF/Mellon Programs Office. A limited number of grants of up to \$3,000.00 per Fellow will be awarded each academic year. Fellows must submit this completed form, a proposal supporting their need to travel abroad in order to advance their scholarly inquiry and a budget depicting how the funds will be used in order to advance their scholarly research development. **Fellows are required to submit a final report detailing how they were able to accomplish their international research goals.**
