

The background of the entire image is an abstract composition of thick, expressive brushstrokes in a variety of colors including warm oranges, yellows, pinks, and cool blues. Overlaid on these strokes are faint, semi-transparent silhouettes of a diverse group of people, suggesting a community or gathering. The overall effect is artistic and vibrant.

FIRST BOOK INSTITUTE

THE FIRST BOOK INSTITUTE

The UNCF/Mellon First Book Institute seeks to help tenure and tenure-track faculty at UNCF and Mellon-affiliated institutions prepare a proposal, secure a book contract, and publish their first book.

Preference is given to faculty teaching at UNCF/Mellon institutions. While peer-reviewed articles are a key part of knowledge dissemination, monographs allow scholars to immerse themselves in a theoretical or conceptual framework, develop a theme over the course of a book-length study, and contribute to the scholarly literature for learners to reference over time.

This institute considers the unique needs of HBCU faculty to demystify the path from concept to completed project.
